

Increase to Base Pricing for I-G and I-B - Aug 28, 2017

An increase to the base pricing schedule for Sherring Business and industrial Park was approved by City Council on August 28, 2017:

Heavy Industrial

\$195,000/acre (no increase)

General Industrial

\$230,000/acre (from \$195,000)

Business Industrial

\$230,000/acre (from \$215,000)

This is base pricing only; location and size warrant lot specific pricing.

Established in 2007, Sherring Business & Industrial Park is designed to foster business partnerships and economic growth in our city. Whether it is a small business looking for a new home in a vibrant commercial community, a light or heavy industrial business looking for a place to expand its operations, Sherring offers choice and great potential for growth. Administration regularly reviews pricing based on market demand and sales activity. In 2012 and 2014 price increases recommendations were made and approved by City Council.
